Alabama's Places In Peril

ALABAMA HISTORICAL COMMISSION

ALABAMA'S MOST ENDANGERED HISTORIC PLACES

Since 1994, the Alabama Historical Commission and the Alabama Trust for Historic Preservation have joined forces to sponsor *Places in Peril*, a program that highlights significant endangered properties. As awareness yields commitment, and commitment yields action, these endangered properties can be saved and returned to their places as treasured landmarks.

Places in Peril has helped save many important landmarks that may otherwise have been lost.
